FOREWORD

COMMENCEMENT-- the beginning not the ending-

True, the curtain has descended forever on a play which has held great importance in the lives of each of us- one which presented many golden moments of happiness and many cherished memories for the first graduating class of Neff High School. No other class will ever experience the joys of remembering so many "firsts," establishing so many traditions, building so much school spirit, or anticipating so much growth. With all these many "firsts" that we are leaving behind, surely our footprints will be carried on through the sands of time.

Now we look forward to a new and exciting play which is about to begin, starring the 1967 graduate, who motivated by ambition, achievement and pride, seeks to find a private niche in a highly competitive and demanding world.

Through the years we have learned that no one can excel in every endeavor, but that great satisfaction comes with striving for excellence. We must now determine to fit together the many bits of knowledge and pieces of activity and so create a pattern on which to build our lives.

We must strive to reach for the clouds while remembering to keep our feet on solid ground.

We must now learn to apply what we know, for without application, knowledge remains fruitless and abstract.

Success shall surely reward all who labor with courage and dedication and refuse to entertain defeat, for:

"Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time."

(Henry Wadsworth Longfellow)

dedication

Enthusiastic, energetic, sympathetic, understanding and dedicated are all words which simultaneously come to mind when describing our head counselor, Mr. Chenney.

Mr. Frederick Chenney was born in Canada, but came to California shortly afterwards. When he was eleven years old, his family moved to Bakersfield. He was a very active and popular student at Bakersfield High School and at the end of his junior year, was elected Student Body President.

After graduation his family moved to Whittier, and Mr. Chenney entered Whittier College in the fall of 1941. He was invited to join all four of the fraternities on campus at that time. He chose the Lancers and served as president of this society during his senior year.

Mr. Chenney received his BA degree in 1945, his secondary teaching credential in 1946 and has since received his Pupil Personnel Special Services Credential.

Mr. Chenney met his wife Betty while both were attending Whittier College and they were married in 1947. A daughter Lee and a son John complete the family.

We are most fortunate to have Mr. Chenney's friendship and counseling to help guide our way through our high school years.

Under his direction the senior class leaves Neff with a deep desire to create lasting imprints in the "sands of time."

It is with deep gratitude for his enthusiasm and understanding that we the students of Neff High School proudly dedicate the 1967 Troiani to our head counselor, Mr. Ted Chenney.

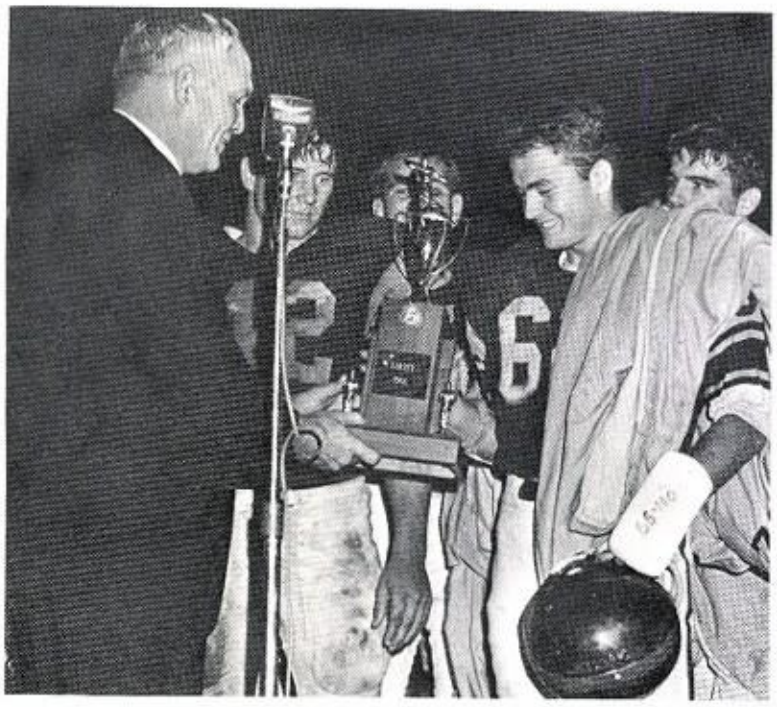
Each day in the role of principal Clinton V. Brown participates in many Trojan activities outside of his office. Presenting the Hacienda League Championship Trophy was among the most enjoyable tasks Mr. Brown performed this year. Attending many meetings, Mr. Brown has strived to make our campus the best ever.



Dear Trojans,

The building of a school calls for the coordinated effort of many people. It is a many faceted operation that entails the skill of the architect to design a school to meet the needs of the students it is to serve, the foresight of the superintendent to have the physical plant ready when the ever-growing school population demands added classrooms and laboratories and the dedication of the principal in equipping the school, developing the curriculum and selecting the faculty. These ingredients are, of course, essential to the educational program, however, a school is much more than architect's plans, the physical plant, the furniture, equipment and the faculty. A school is composed of students with their varied abilities, desires and goals. A school is recognized as being a "good" school because of their academic and athletic achievements. Considerable credit must be given to the Class of 1967 for their leadership in establishing William N. Neff High School as one of the finest.

The traditions established by the first graduating class are based on prudent thought and wisdom. The friendliness of the student body and the feeling of belonging has been instilled in each student by our first graduates.

The willingness of our senior athletes to give every ounce of energy to the cause of victory has produced winning teams and has developed a tradition that will be perpetuated by athletes for years to come.

Loyal support of the "Trojan" teams has been the basis of a student body spirit that has contributed greatly to the success of our teams and has enhanced our reputation as an athletic powerhouse.

The first graduating class has garnered many academic honors. The balance between their participation in activities and pursuit of studies has provided a sound basis for future success that will continue to bring honors to our school for many future years.

The unselfish devotion to the success of William N. Neff High School by the Class of 1967 has left "footprints in the sands of time" that will long endure. Our heartfelt thanks to our first graduating class.

As Vice-Principal, Mr. Ulibarri performs many important tasks necessary to the smooth running of the school. He is the head of the curriculum and audio-visual department and chooses and orders our books. Mr. Ulibarri has donated countless hours of his time in helping the photography staff. We owe a great deal to him, because without the time he has put into helping with this, this finished product, the yearbook, could never have evolved.

Mr. Ulibarri helps take inventory.

VICE PRINCIPALS

Mr. Elder donates an enormous amount of time as he works with student government, dances, sporting activities, and his usual disciplinary duties. To Miss Moore goes our thanks for helping out with the pep units, drill team, half-times, art work for student body functions, and her determination to help guide the girls of our campus. To both of them goes our deepest appreciation for serving Neff with the dedication that they possess.

Working "behind the scenes" toward a more smoothly-run school are the members of Neff's Classified Staff. Their best efforts are devoted to the benefit of all the student body. Without the constant service of these people the school could not function. Their efficiency and patience is seldom noticed, but the effect of their service surrounds us every day.

TRADITIONS OF GREATNESS BEGAN WITH US

The Class of '67 began on the long road to graduation at another high school in September, 1963. It may be hard to visualize Neff's seniors as frightened freshmen, but freshmen they were and the surge of high school life was completely new to them. Slowly, qualities of athletic and academic ability began to emerge from these fledglings. But theirs were not to be four years of bringing honor to this school for their achievements. In September 1964, William N. Neff High School opened its doors and entrusted the Class of '67 with its future. The task seemed impossible...for indeed the building would begin from nothing. To be given a high school like a lump of clay, to mold it meant to be a member of the Class of '67 of Neff High School. TRADITIONS OF GREATNESS BEGAN WITH US.

As sophomores, the first thing we did was to elect officers. Lead by Mark Edwards, president; Jill Clarke, vice-president; Bonnie Lorig, secretary; and Penny Streeter, treasurer, we selected our junior rings and planned many activities.

Member of the Class of '67 brought back many honors from math and speech tournaments. The drama department produced "The Night of January 16th" and "The Doctor in Spite of Himself." The year was filled with the excitement of the Christmas Dance, the Sadie Hawkins Dance, and recreation nights. By the time the sophomore year drew to a close, the foundation had been established; but work was still from ground up. TRADITIONS OF GREATNESS BEGAN WITH US.

The junior year showed that the previous year's dedication and hard work had not been in vain. Returning students discovered an engaging novelty...grass! Lead by Don Solanas, president; Vickie Berry, vice-president; Sue Parke, secretary; Karen Moeller, treasurer; and Sue Smith, Social Chairman, we chose our seniors sweaters, planned the Spring Formal, and again sponsored many activities on campus.

This was the year of Neff's first really big football season, and our initial effort can only be described as unbelievable. The Neff Varsity captured the Hacienda League championship and a berth in the C.I.F. playoffs. Kathy Donohue became Neff' first Letterman's Queen. The Drama department presented "Thank You, Doctor" and "Meet a Body." As in football the varsity basketball team came through for a berth in the C.I.F. playoffs. Many new clubs appeared on campus, and individual students brought honor to Neff through their participation in math and speech tournaments and various testing programs. Todd Lewis won the honor of participation in the state speech tournament at Santa Barbara. The spring formal at Cerritos College climaxed an exciting year, and the fact that we were about to become seniors dawned upon us all. TRADITIONS OF GREATNESS BEGAN WITH US.

For many members of the Class of '67, our senior year has been the achievement of a two-year-old goal, the fulfillment of a two-year-old promise. It was though all the doubts and dreams and plans for Neff had solidified into first-class reality. September, 1966 began our reign as seniors. The senior class has proven itself exceptional in many ways. Class leaders Roy Baumeister, president; Buddy Rumley, vice-president; Mei Trawicki, secretary; Sandy Rossiter, treasurer; and Sue Smith, social chairman guided seniors in the construction of senior square, planning Senior Ditch Day, the All-Night party and many other activities.

Our senior year also brought Neff its two first foreign exchange students, Peter Vesti from Demark and Marco Anes from Brazil. Marco particularly added to the excitement and fun of the year. Youth in Government month became a tradition for Neff seniors, with Don Solanas serving as mayor of La Mirada. A prophecy in the 1966 yearbook ("Next year it will be all the way through C.I.F.") came to pass with Neff High becoming first Hacienda League champ for the second straight year and then going on to win the C.I.F. finals in Division A. Climaxing a year that passed all-too quickly was Senior Ditch Day at Disneyland, the Junior-Senior prom at the Disneyland Hotel, the All-Night party at Beverly Bowl in Montebello, and of course graduation.

It has been a long and hard three years. Only a few can be called upon to begin a high school and establish its traditions. A fortunate few. We Trojans in the Class of 1967 will not soon forget our years at Neff High School. These years were well spent in preparing us for the future. Although we now must go our separate ways for life, we will, in a sense stay united forever in the very makeup of this school, for TRADITIONS OF GREATNESS BEGAN WITH US.

SENIOR

SENIOR SQUARE

The Seniors took hammers and saws and set upon one of their most ambitious projects, the building of Senior Square. The seniors plan to leave a gift to the school; an impressive mosaic as a permanent reminder of the Class of '67. Senior Square may become more complete and beautiful for future classes, but only the Class of '67 can say "We built this."

THE SENIOR PARENT'S TEA

The Class of '67 began yet another tradition with the Senior Parent's Tea, sponsored by Girls' League. The event was well attended and gave the senior mothers a chance to get acquainted.

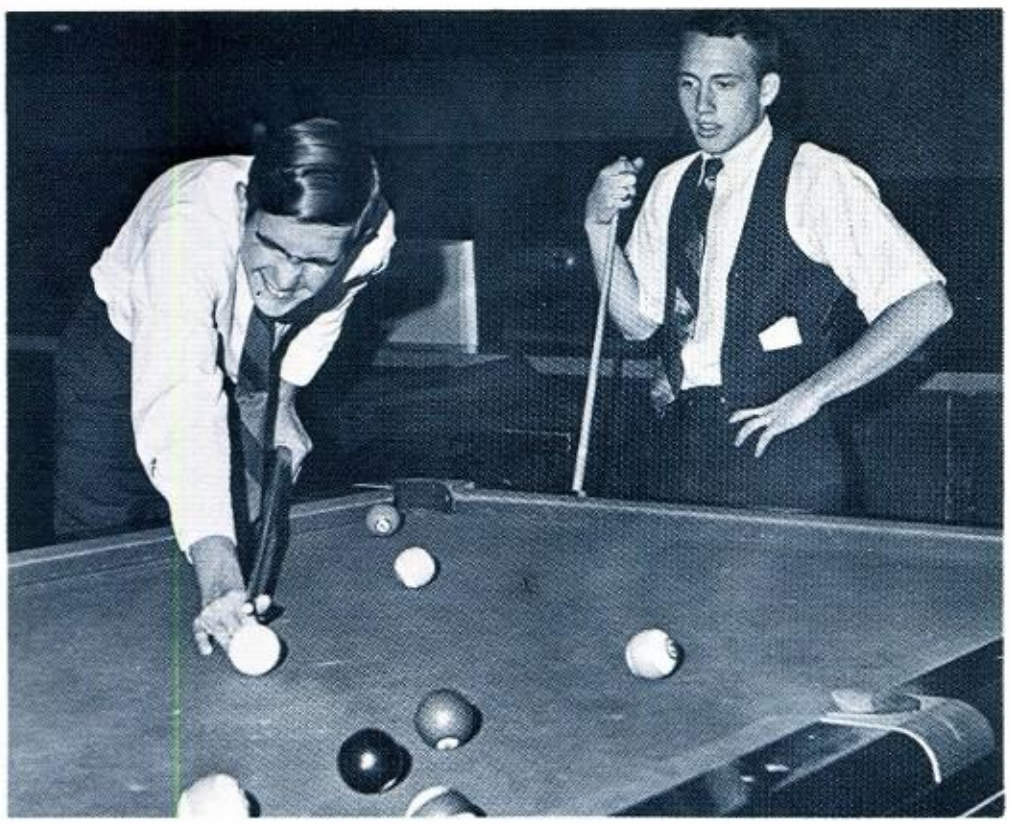
YOUTH IN GOVERNMENT

November 1966, became Youth in Government month for many Neff seniors. Gaining valuable experience in city administration and planning the students held official city offices and conducted a student City Council meeting, giving their recommendations to the official City Council. It was a meaningful experience for members of the class of '67.

activities

SENIOR DITCH DAY

The Magic Kingdom became a senior playground when the Class of '67 ventured to Disneyland for Ditch Day. Whether sliding down the icy slopes of the Matterhorn, or spinning madly about in the teacups, or sailing down the Amazon, the Trojan seniors demonstrated rare class spirit.



THE ALL-NIGHT PARTY

The All-Night Party which is P.T.A. sponsored is an event eagerly awaited by all Neff seniors. Now out of school, they meet once more to demonstrate the gaiety and friendliness that the Class of '67 became famous for. The Beverly Bowl in Montebello was the setting where the graduated seniors danced, played pool, and bowled the night away before entering their post-high school lives.

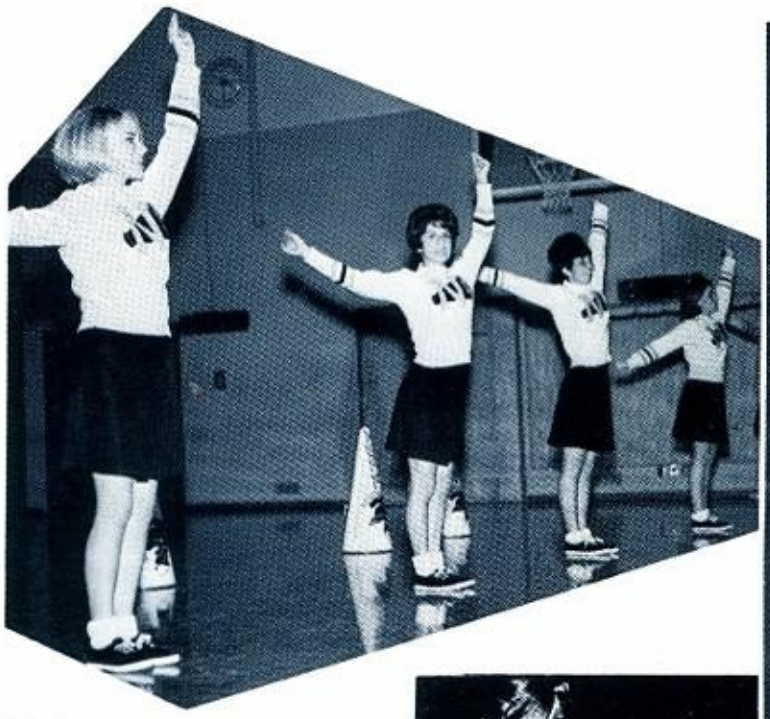
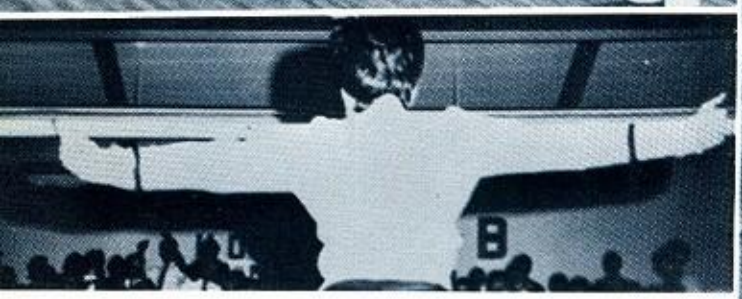
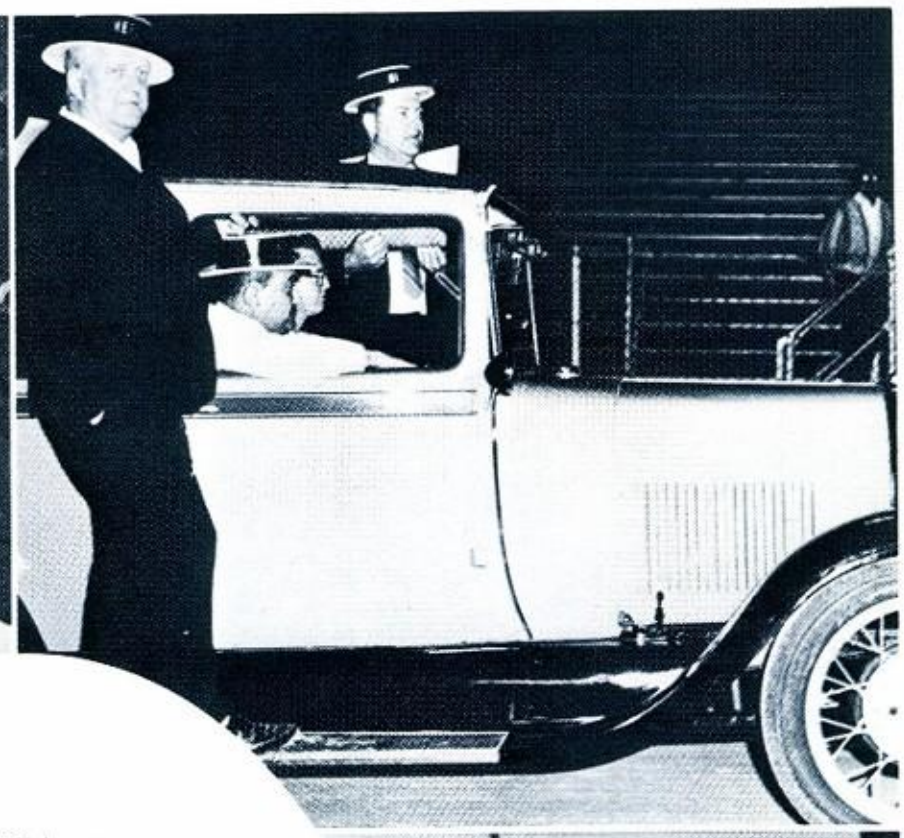
Rallies





half-times



This year
we've had a really
big show. Heading the season
was a salute to television specials
with scenes from "Bridge on the Kwai",
The World Series and a Gemini blast-off.
The show was highlighted by old Cars, Flappers and the Black Bottom. The songs this year performed by the Neff Trojan Band have kept the spirit of Neff in tune with such musical selections as "Hard Days Night", "Bridge on the River Kwai", "Take Me Out To The Ball Game", "Washington Post March", and "You Must Have Been a Beautiful Baby".
All and All the shows this year have
really been fabulous.

Dance

The Christmas Dance, held on December 10, was the first big social event of a very big year. The gymnasium was mysteriously given the holiday spirit in the form of gaily-colored wreaths, lights, and a beautiful tree taking center stage. The band, headed by Mr. Kirk, played on through the magical evening as couples danced with true Christmas enthusiasm. Highlights of the evening were the crowning of Steve Johnson and Kandi Foreman as Mr. and Mrs. Santa Claus by last year's royalty, Vivian Garcia and Ken Hamilton, and the debut appearance of you-know-who--in the person of Mr. Graff!

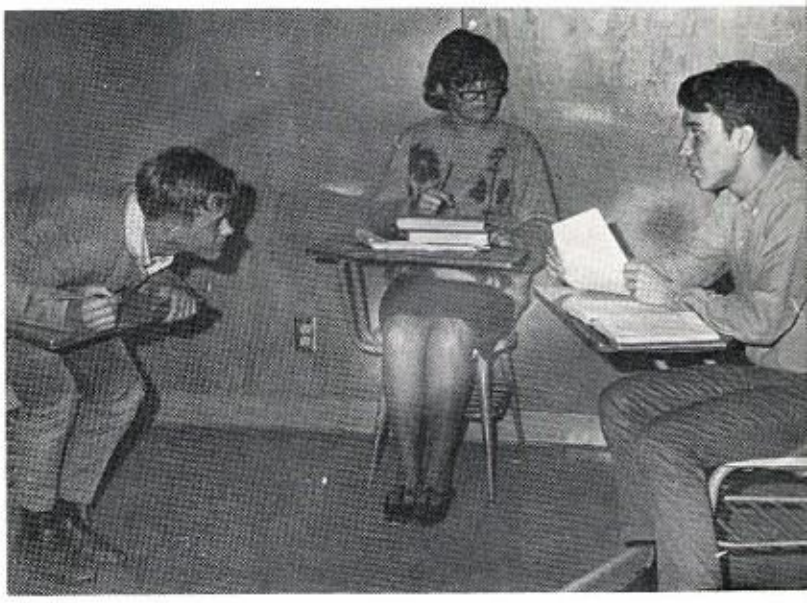
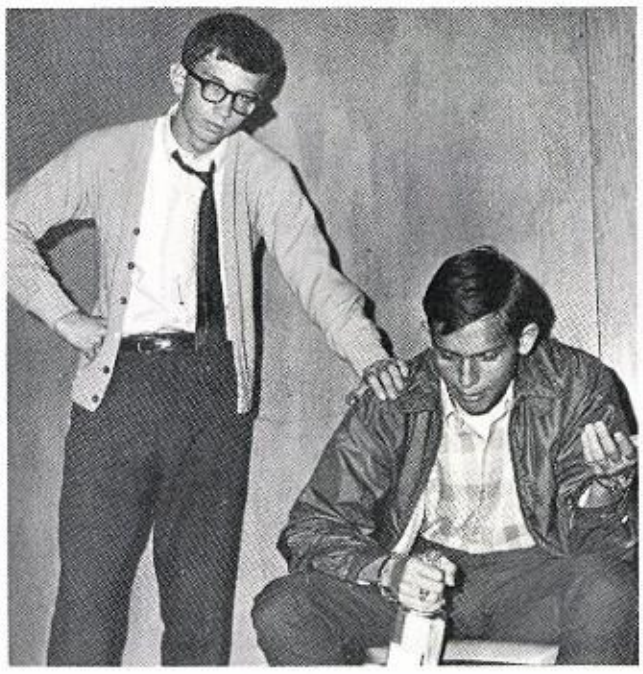
drama night



On March 3, a long time goal of Neff's drama department finally came to pass: a "drama night" that allowed aspiring thespians to show their wares. All in all, Drama Night became Neff's most ambitious dramatic effort to date. Talented freshmen took the spotlight in two one-act plays, "Fear is a Murderer!" and "For Love of a House." Both plays were directed by students, Jill Clarke and Randy Henderson, respectively. The more experienced actors on campus got into the act with scenes from famous comtemporary plays. Various record pantomines, pantomines done to recorded words and music, also found a place in Drama Night. Finally, the evening was rounded out with several dramatic readings and skits. Neff High School's first Drama Night proved to parents, teachers, and students that the study of drama is progressing and flourishing on campus.



Many types of entertainment were presented in Drama Night. CLOCK-WISE FROM THE TOP: "Fear is a Murderer!" was set in Nazi Germany and featured (left to right) Shirley Elterman, Linda Slater, Marylee Bennett, and Bonnie Tenenbaum. Ken Hill, Linda Davis, and Don Davis did a hilarious pantomine about grade school. "For Love of a House" dealt with an unscrupulous woman's efforts to gain an old lady's wealth, and in it were Yvonne Burnett, Marlene Elterman, Carlye Loeb, and (not shown) Linda Davis. In "Who's Afraid of Virginia Woolf?", George (Brad Geagley) and Nick (Randy Henderson) were purged in an all-night bout with truth. A scene from "The Glass Menagerie" showed Tom (Randy Henderson) and Amanda (Jill Clarke) engaged in a violent quarrel. Record pantomines were done by Carlye Loeb ("How Lovely to be a Woman") and Yvonne Burnett ("A Kid Again-I'm Five").

student body

This year we have been fortunate to have seen many fine assemblies during the year. This "assembly season" was highlighted by various sports awards assemblies and climaxed by the final awards assembly held at the end of the year. Neff students can be sure that whenever they gather for an assembly they will be informed and entertained.

ORGANIZATIONS

student body

When the first classes came on to our campus, the name of Neff High School was unmeaningful, its reputation unknown, its traditions non-existent, and its future unclear. Out of this foggy horizon came a band of Trojans... true Trojans. It was toward the task of setting a foundation that these individuals worked. It is toward these individuals who our praise and appreciation should be directed, for these are our true founders.

Today, our foundation is firm, our traditions established, and our name and reputation known. This, our future, is no longer unclear as we work toward continued progress, accomplishment, and respect. We have left our footprints of respect and worthiness for the entire nation to see. And what's more the cliche of "We're number one!" is no longer just a cliche.

We've made it.

"The home of responsible government" was the motto of this year's Student Body Cabinet. Together they worked behind the scenes to make Neff better for the students they represented. They also served as worthy representatives at various conferences and conventions. And no greater honor could be attributed to them than that they did more than anyone else to bring honor and glory to Neff High.

The senate is a necessary organization for proper functioning of the school. It acts as the voice of the students. Headed by Don Solanas, Student Body President, the senate has worked hard on the major problems confronting our students. Senators are elected from their Social Science classes, and are the official representative of that class. Their duty is to carry any problems or suggestions to the senate where they are discussed.

An annual is more than a picture book. It is a series of assembled thoughts and experiences that made a particular school year one to remember. The school year 1966-67 was just such a year. We hope this annual gives you the opportunity to hold a year of your life in your hands and relive it again and again. The annual staff hopes that you can review again the events and friendships of this year through this edition of the '67 TROIANI.

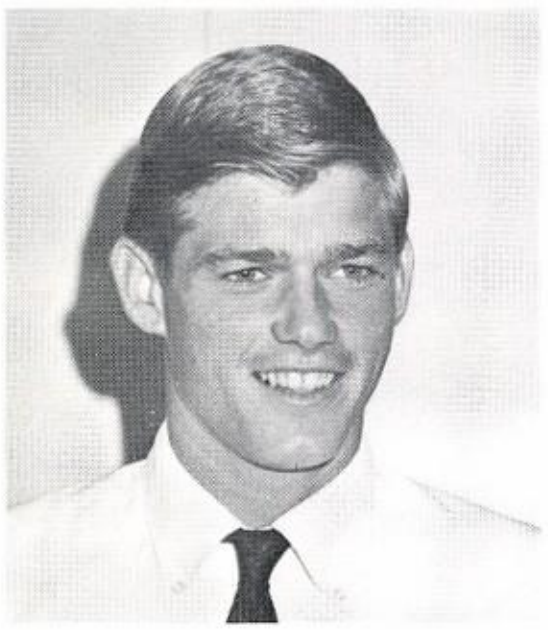
Melanie Westcott
Foreign Exchange Candidate

The goal of the first American Field Service Club on campus, was to have an exchange student for the 1966-67 school year. This goal was accomplished through the hard work of the club members in the many money making projects. Since the first year of A. F. S. club many goals have been established. The A. F. S. club changed programs in 1965 and the Youth For Understanding Club blossomed. Through this new program we will be able to send a foreign exchange student abroad this summer. Neff High School's first candidates for the overseas program were announced in February; they were: Melanie Westcott and Craig Lapeere. The goal of promoting international understanding and brotherhood within our country and among the nations of the world was recognized by the club this year.



Craig Lapeere
Foreign Exchange Candidate

Marco has met many new people in America, and has made many new friends.

S. E. C. club gave Peter his first American birthday party.

The first exchange student, Peter Vesti, from Denmark, came to Neff High School in September of 1966. Through his eagerness to learn more about the United States and high school life; Peter's contribution to the Senior Class and to Neff High School will long be remembered. Unfortunately, due to an illness in Peter's family in Denmark; Peter had to return home earlier than expected.

After leaving Brazil and coming to the United States in January of 1967, Marco Anez has learned many new things about our country and its people. Despite his having a limited English vocabulary; Marco has made many new friends. He is on the 1967 track team, although his favorite sport in Brazil is soccer.

lettermen's club

"Service" is the word that best describes the many activities of the Lettermen's Club. Throughout the year, the members took part in candy sales, football program sales, and the big event of the year-The Donkey Basketball game.

The Lettermen carried out their purpose of "Service" very well. For instance, they offered their services, even if it meant being captured by cannibals in a pep rally. In many facets of school life the Lettermen actively participated and they added to the acomplishment of glory for Neff High School.

national forensic league

This year Neff students can be very proud of the representation they received from the National Forensic League at various speech tournaments throughout the state. This organization, advised by Miss Denyce Duncan, is made up of members adept at the skill of self-expression. Whether in debate or individual events, the Neff squad proved to be stiff competition, even when pitted against some of the finest speakers in the state.

The National Thespian Society is the organization that encourages excellence in the dramatic arts among high school students. Neff's Thespian troupe has been hampered by a lack of facilities, but has put forth initiative and enthusiasm rare in fledgling drama groups. In addition to two plays, the Thespians this year made plans for a Drama Night, designed to show off many aspects of the drama. With many drama facility innovations due for Neff next year, the Thespians have earned a very promising future. You'll be hearing from them!

Mr. William Kirk led our band into big success as they gave us some of the greatest half-time shows and rallies ever.

Our band with the assistance of drum major John Boyer, helped to promote school spirit with every performance. Along with the school and game time activities the band attends weekend parades and performances; which all add up to some well deserved trophies and a very proud school.

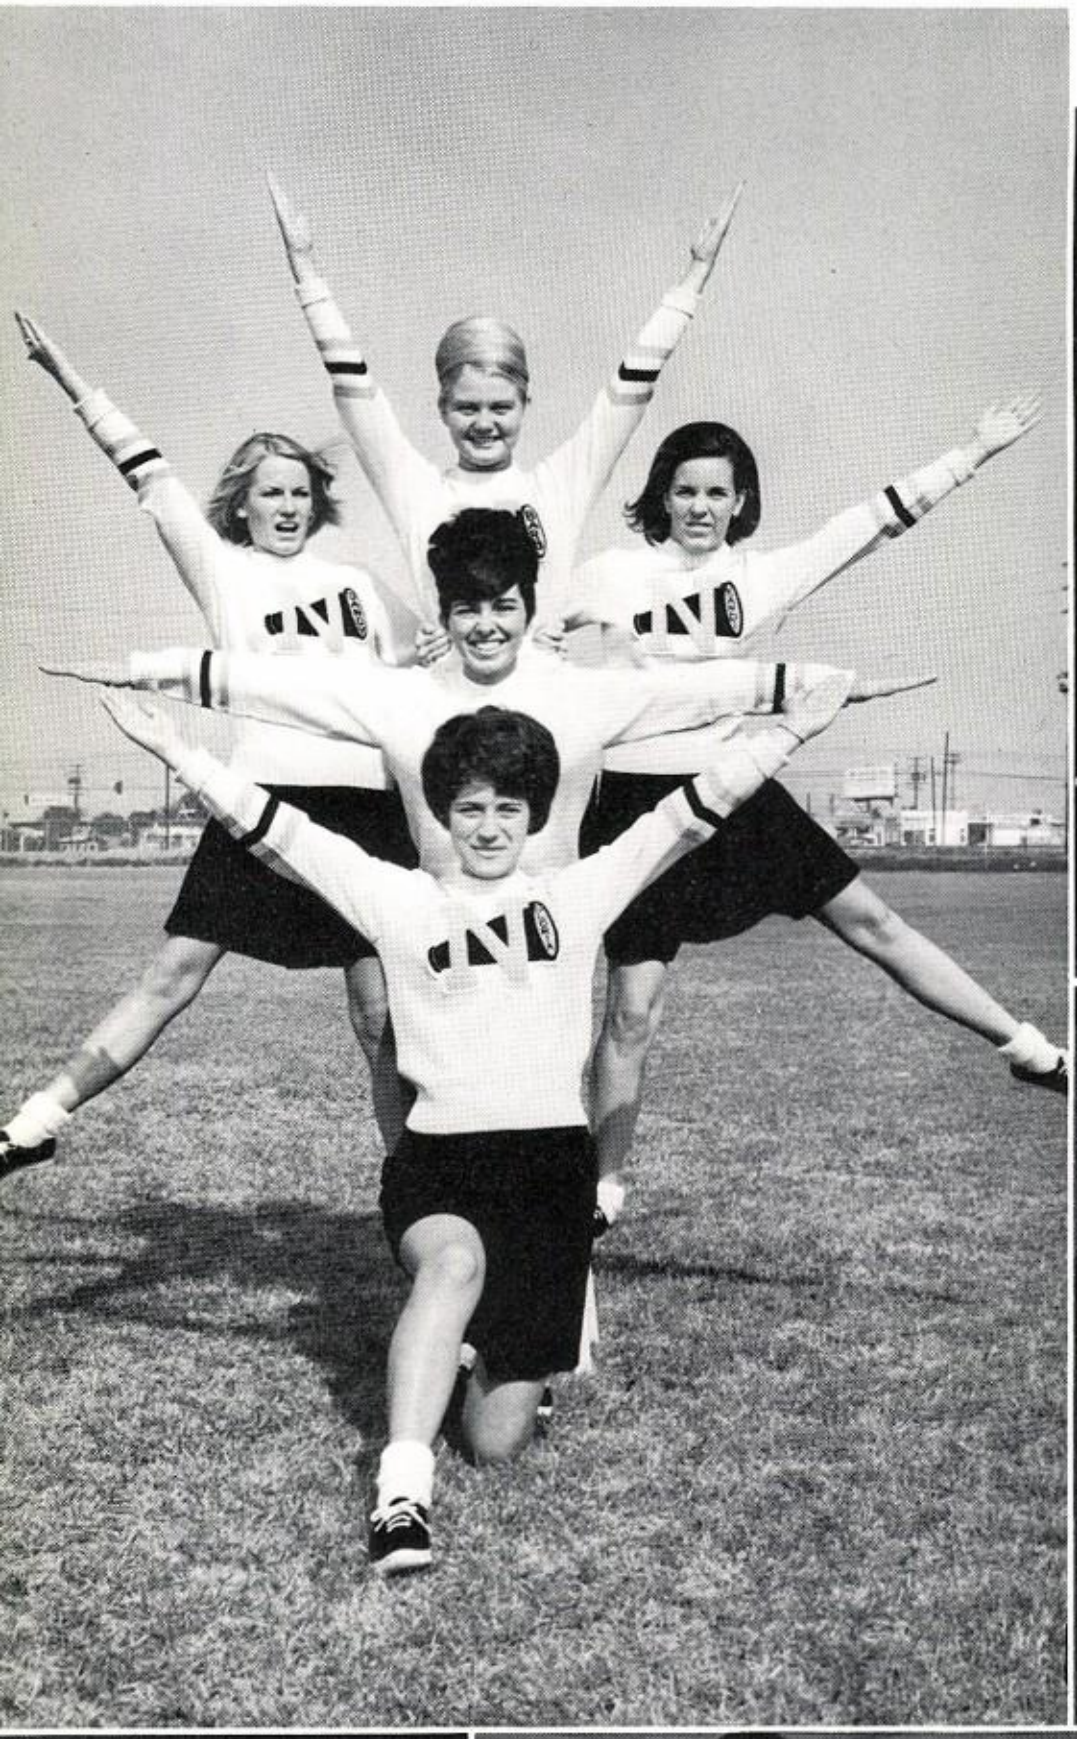
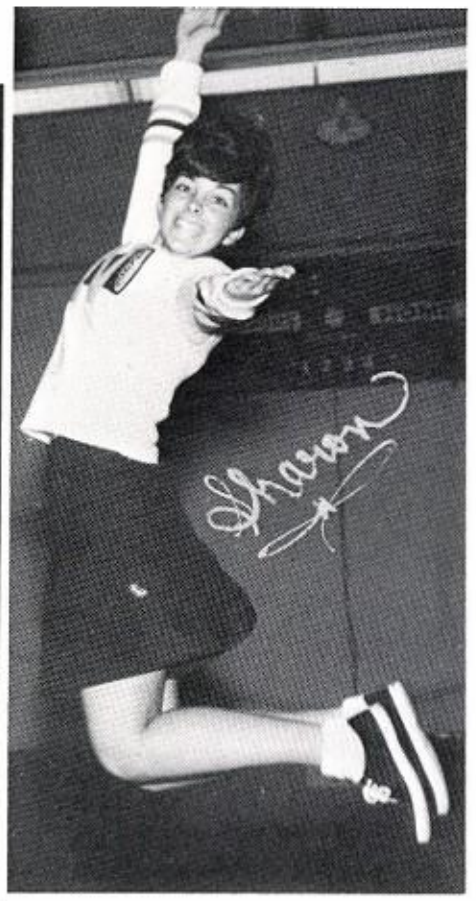
added that extra snap that makes a drill team good. Together with the band, the drill team performed at parades, rallies, and half-times. Neff is happy to have such a lively group to represent us.

and Drill Team

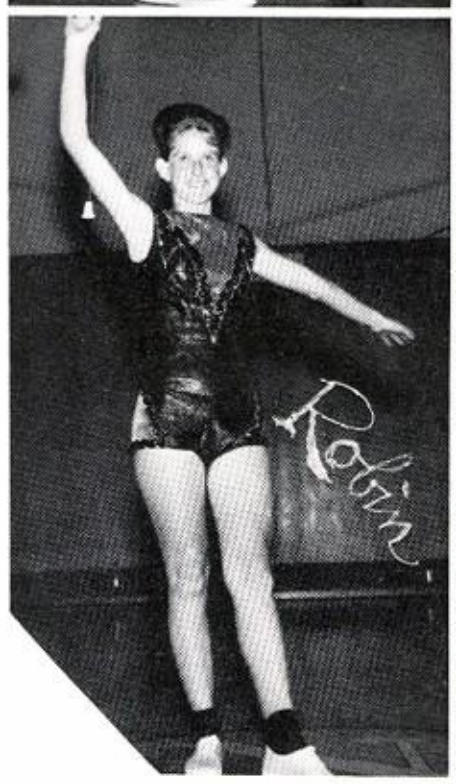
yell leaders



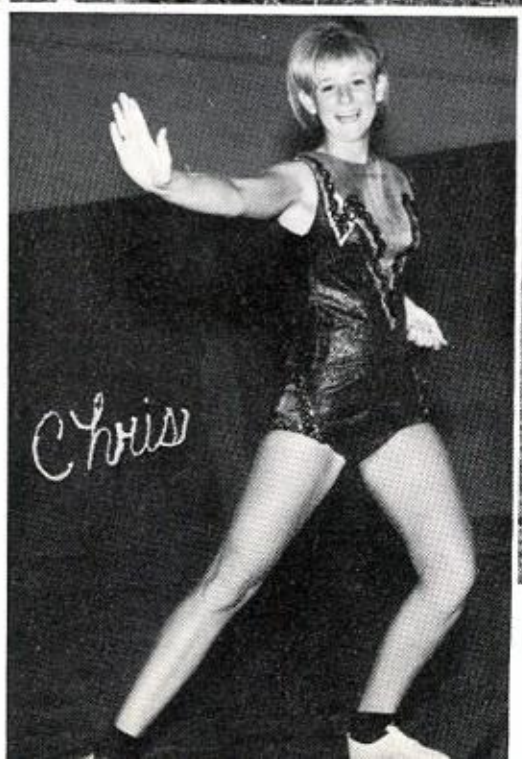


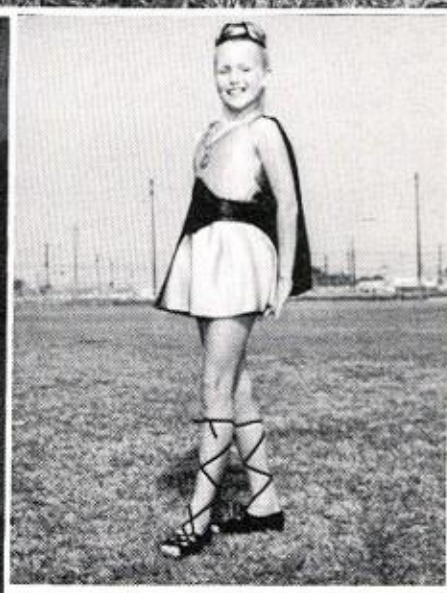
This year leading the student body in riotous cheers were our yell leaders: Sharon Bailey (head), Barbara Kolden, Kandy Foreman, Sandy Rossiter, and Gloria Hoover. A big cheer goes to them for their hard work. It takes a lot of energy to stomp and yell for good ol' Neff. They probably owe a fortune in liniment and vitamin pills, but at least they had fun and so did we. To these girls go a well deserved gr-gr-gr-gr-eat!

majorettes

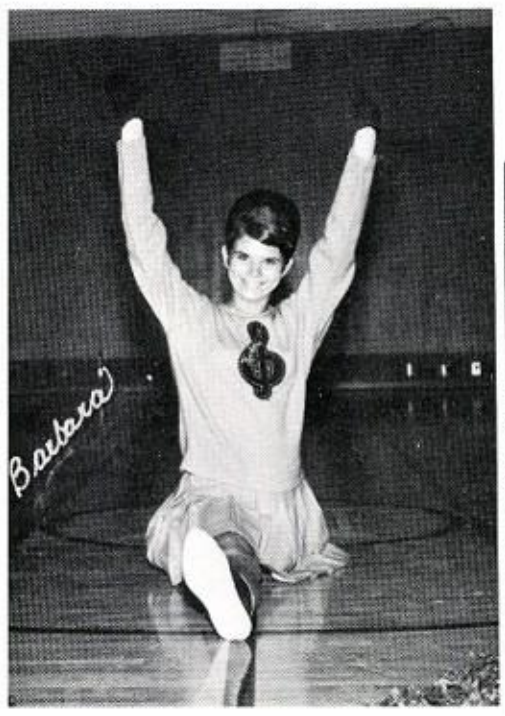


A bright flash of gold and there they are--the majorettes. Pam Estrada (head), Luana Chambers, Chris Roberts, and Robin Stout. These girls really batoned it up and down this year. They are technically members of the band, but they are also included in the pep squad. The majorettes have performed at rallies, half-times, and parades. Four shining batons signify this group whether in the air or on the ground.





Nancy Roberts
Band Mascot



song leaders

Four big smiles greeted us throughout the year at various school functions; these smiles were on the faces of our four song leaders: Barbara Masem (head), Kathy Donohue, Linda McFadden, and Joyce Okazaki. The song leaders are the dancing members of the pep squad, they add to their routines by frequently using pom poms. Accompanying their performances we have heard such numbers as "Be True To Your School", "Notre Dame", and many others. These girls have danced their way into being a really good group.

flag twirlers

Twirling to school, parade, and jazzy tunes were our flag twirlers: Vicki Berry (head), Susan Smith, Judy Brown, Pat Holbrook and Betty Deitch. With the rustling and swishing of their flags they added a few dance steps that gave their routines extra bounce. With performances at rallies, games and parades the flag twirlers still found time to enter the Arroyo High School flag Competition. Neff should be happy to have such qualified representatives.

Congratulations to the Neff High School Trojans for completing their season with the Hacienda league championship and the C.I.F. title in their division. Our compliments to the coaches, Mr. Thomas, Mr. Goodman, and Mr. Frese, for without them, we all know the feat we accomplished would have been hard to duplicate.

We would also like to compliment the offensive line for their fine play throughout the long season. The last C.I.F. game against Rowland was said to be won by outstanding line blocking by Phil Anderson, Joe Touchette, Steve Spiegl, Dean Mersky, Steve Johnson, Terry Gibbons, and D'arcy Rigby.

Stephens runs a quarterback sneak by Gahr.

Steve Doreck makes tackle which foiled Royal Oaks attempt to run around the end and helped the Neff defense keep its reputation as the best shining.

C.I.F. Champs

Mike Kotoff runs a fake punt for long yardage against Katella in the first C.I.F. game.

Tyler runs off tackle against Hemet in the second C.I.F. game.

Steve Doreck runs end against Rowland in the final C.I.F. game.

The small but mighty line, the big strong backs, and a lot of good sound coaching brought to Trojan Town, La Mirada the C.I.F. title in the A division.

The line did an outstanding job throughout the long season moving opponents larger in size than themselves. Our backs of course were unduplicated in our C.I.F. drive. The championship was a fine effort with a few people to lead the way. On offense we had Randy Tyler, Best Back award, M.V.P. in A division, all area, and all C.I.F. Dean Mersky, Best Lineman award, all league, all area, and Phil Anderson, all league.

On defense Buddy Rumley, Most Imprvd., all area and league, and all C.I.F., and Joe Russo, all area and league, and all C.I.F. led the Neff defense, along with Bob Brown, all area and league, on the way to triumph.

Phil Anderson makes a fantastic diving catch for a touchdown in the final C.I.F. game.

CONGRATULATIONS CEE BASKETBALL

Steve Parks jumps high against opponent and tries to sink a ten foot jump shot.

The Neff High School Cee basketball team paid honor to their school as they finished at the top of their league. In regards to the coach this was indeed significant for capturing two league titles in one year is an accomplishment envied by many. Coach Wright also captured the league title in Bee football. This was his first year as a coach at Neff, and it proved to be a very prosperous one.

But the deed was not his alone for it took a special effort from each member of the team. The team as a whole worked hard all year and as a reward took the championship. It took many hard hours and the team has our deepest appreciation and respect.

Junior Class Officers

This year the Junior class had a big job to do and it was well done. They sponsored many money raising events including, Christmas card sales and after game dances, in order to furnish us with our first Junior-Senior Prom. The Junior class officers did a great deal of planning for that event and it proved worthwhile.

This year's Junior class of 1966-1967 proved itself remarkably ready to be the second Senior class of Neff High.

Advisor

The Sophomore Class is one of the most active groups on campus. In their efforts to raise money they have sponsored car washes, after game dances, and sold decals. In addition they also headed the Italian relief fund drive--which was quite successful.

The Sophomores deserve a lot of credit for the outstanding school spirit they have shown this year.

Although this was their first experience with high school leadership, the Freshman Class Officers and Steering Committee have put in many hours planning activities that made the year a big success for the Class of 1970. The class sponsored after-game dances and held a very successful candy apple sale. It is always difficult to organize a brand-new class, and these groups have done a wonderful job in 1966-67.

Karen,
We'll have fun next
year in German and
too bad all our Senior
friends are leaving this
class. Hope you bring
a lot of candy next year
so we can take some of it.
Don't ever change because
you're really great.
Love,
Ron Fiser

Karen,
You're a really
nice kid. Don't
change over the
summer. Hope I see
sometime during the
summer. See ya next year.
Maybe we won't have to put up
with Mikowich !! Ick!
Good luck!
Love ya!

Karen,

Well! finally our Junior year is over and we're Seniors, class of '68, the 2nd graduating and the best class at Neff!!! Naturally!! Now I've known you ever since kindergarten, that's 1,2,3 wow!! 12 years! Believe me you haven't changed at all. You're still as goofy, but you're taller.

I'll never forget when we were walking to school in kindergarten and you fell and wrecked your knee and broke all your eggs we were taking to school to color for Easter, what memories! Then in third grade when Mrs. Greeson split us up because we were too friendly (how could that be?) Then in 4th, 5th and 6th grades all our little boyfriends!! My weren't we popular then, wonder what happened?!! Then in 7th and 8th grade we didn't see too much of each other and then in 9th we hung around

together. All those notes we wrote! Then last year we didn't talk a lot and now this year we do. Notice our similar interests, Rick, Greg etc. It was really fun to have somebody to talk my problems over with (my problem is - no boys) Really about my crush on my girlfriends boyfriend, and of course Bill, Lenny, Dan, Bryan and of course (RON!) What a sweet boy!! Too bad we got in that little argument at the end of the year but we finally made up. Now I always talk to you about my problems with Steve! What a boy, sigh! Honestly though, I like other guys too. I think I better tell them (the guys) but if I want them to stay around I better not. Steve must be blind to like me, blind to all my faults. I'm so moody!! Well, I better close! You're a really sweet girl and I like ya a lot! Don't tell Steve, please, as if he'd care. Well stay just like you are and I hope you can take care (over)

Karen:
See you next
year and maybe
during the summer.
May your dreams be filled
and the sun lighten your path

Dear Karen,
You have been
such a pleasure to
have in class. I've
enjoyed our little talks
so much!
Good luck - come
and see me!
Miss Watson

Karen,
Hope you have
fun this summer
and next year at
Neff. Best luck always

Marinko

(cont)
of your problems. You + your snoopy
sister can watch all summer when
I come home at 1:00 A.M. (in the morning)
I hope you don't see a thing.
Must close till next year. Everyone
in a while I'll run across the ~~[illegible]~~
street to talk to you. See you later.
Love Always
